circulation in the State of South Carolina. The Notice of Filing indicated the nature of the Application and advised all interested parties desiring to participate in the proceeding of the manner and time in which to file the appropriate pleadings. The Notice of Filing was duly published in the State Register. The Petitions to Intervene filed by Greenwood Motor Lines, Inc. and Southeastern Freight Lines were withdrawn following the Applicant's downward amendment to the initially requested authority.

Upon consideration of the amended Application, the representations contained therein and the documentary evidence attached thereto, the Commission finds that the Applicant is fit, willing and able to perform the service to the public under the authority sought. The Commission also finds that the granting of the certificate is required by public convenience and necessity.
